WORLDWIDE SALES

» MASTERY IN STRONG ALUMINUM WELDING

We began aluminum manufacturing over 30 years ago under the leadership of our esteemed founder, Harun Reşit Pamuk. **Throughout this time, one thing has remained constant: our expertise and passion for our craft.**

During IMTES's journey, we have worked across various industries requiring meticulous manufacturing skills, including the defense and aerospace sectors. Over the years, we combined our corporate dedication with invaluable manufacturing experience, enabling us to excel in our field.

Since 2009, IMTES has focused exclusively on water and

pontoon boats under the Carettapontoon and Sharkpontoon brands. Our SharkPontoon models, featuring the innovative patented V-nose design, have been a hallmark of our expertise for many years, delivering enhanced performance and reliability.

For 2025, we are excited to unveil fresh updates across all our pontoon boat models. Our professional team has introduced groundbreaking innovations that elevate functionality, comfort, and versatility, setting new standards in pontoon boat design and manufacturing. Each year, we continue to strive for perfection, blending our long-standing experience with cutting-edge advancements to create exceptional watercraft.

SAFETY IS
ALWAYS
OUR TOP
PRIORITY

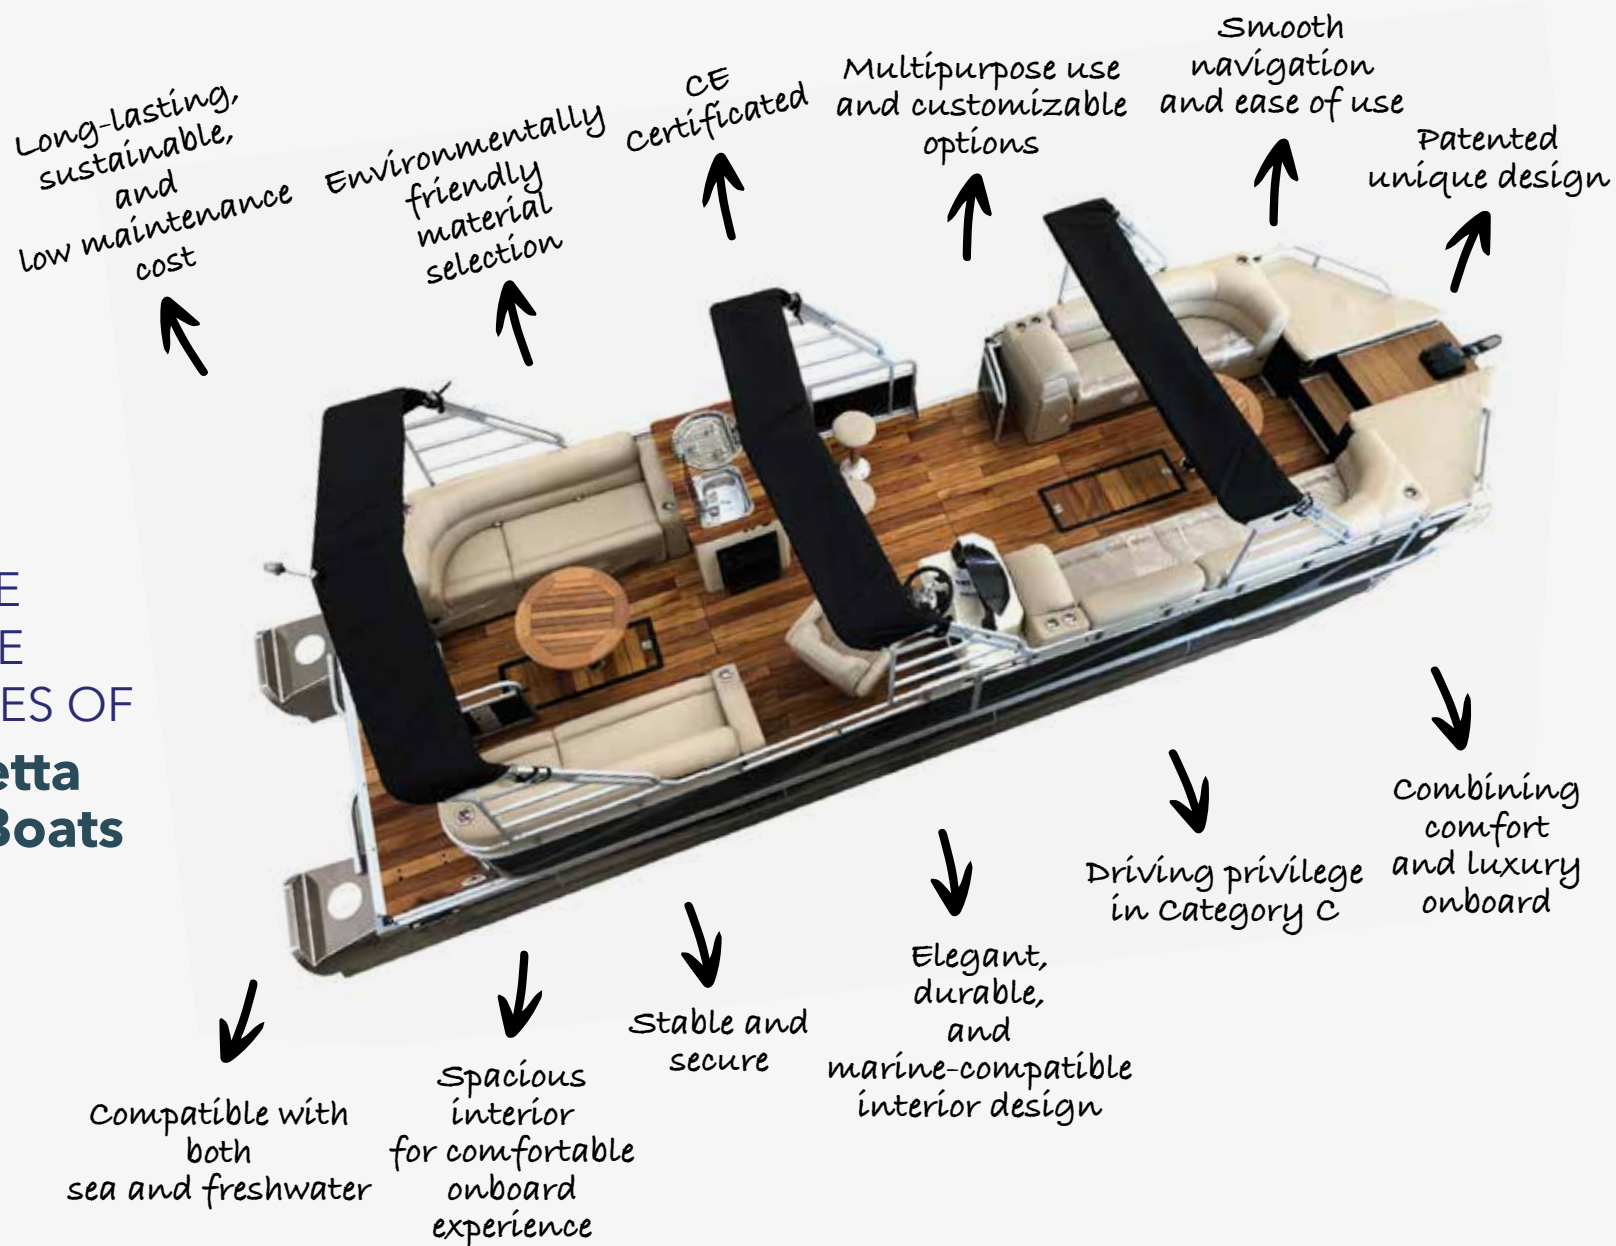

» STABILITY AND SAFETY FIRST

As part of our unwavering commitment to quality, we include stability-enhancing and anti-sway components in the design of all our pontoons as a standard feature, not an option.

These components are core aspect of our design philosophy, ensuring every SharkCaretta pontoon provides a secure and smooth ride for our customers.

ALUMINUM PONTOON BOATS

shark

PONTOON

» With its patented design, SharkPontoon elevates your sea activities to the next level, combining elegance with high wave performance, luxury, and comfort.

It is an ideal choice for those seeking an exclusive experience in both sea and freshwater environments.

» Due to its unique bow structure, SharkPontoon delivers exceptional performance even in high waves and challenging weather conditions.

caretta

PONTOON

» While embracing the timeless appeal of a classic pontoon design, Caretta Pontoon incorporates innovative features that enhance both comfort and functionality. With its spacious interior, balanced structure, and options tailored for diverse water activities, Caretta Pontoon ensures safety and a superior experience in both sea and freshwater environments. Our thoughtfully crafted CarettaPontoon boats are ready to elevate your adventures on the water.

» **You can customize both SharkPontoon and CarettaPontoon** according to their intended use and functionality. Our naval architects provide expert consultancy during the sales process, ensuring the best options are selected to meet your needs. We prepare a personalized proposal tailored to your specific requirements, offering the ideal equipment for your pontoon boat.

» INDIVIDUAL USE BASIC CRUISE

Designed for simplicity, durability, and ease of use, the Basic Cruise Series offers a smooth ride for individuals and families looking for a functional and reliable boat for your private journeys.

Ideal for:

- Day trips on lakes, rivers, or coastal waters.
- Fishing, swimming, and casual family gatherings.

Features:

- Lightweight structure, easy maintenance, and the ability to navigate even in shallow waters
- Comfortable seating with basic upholstery.
- CE-Certified for safety and international standards compliance.
- Suitable for both sea and inland waters.

FOR PRIVATE
JOURNEYS

» INDIVIDUAL USE LUXURY CRUISE

Combining modern design with superior comfort, the Luxury Series is crafted for those seeking elegance, performance, and a premium boating experience.

Ideal for:

- Exclusive private gatherings and family leisure.
- Relaxing and enjoying nature with style and comfort.

Features:

- High-end upholstery and customizable seating arrangements.
- Premium finishes with modern and sleek design aesthetics.
- Optional electric motor for an eco-friendly and silent ride.
- LED ambient lighting and advanced audio systems.
- Enhanced storage compartments for personal belongings

Explore the options section to bring the comfort and convenience you desire to your pontoon boat. As a manufacturer, we are ready to provide solutions to meet your custom design needs.

LET YOUR
PONTOON BOAT
BE YOUR
LIVING SPACE!

» COMMERCIAL USE PASSENGER

Our ferry-style pontoon boats combine the trusted stability and efficiency of pontoons with the functionality required for passenger transport. Built to accommodate multiple passengers, these boats offer a reliable solution for short-distance transfers, scenic crossings, or daily commuter routes.

Ideal for:

- Transporting guests between islands, resorts, or urban waterways.
- Scenic ferry rides with open views of the surrounding water.
- Efficient and cost-effective commuter routes.

**SAFE AND FUNCTIONAL
SOLUTIONS
FOR YOUR GUESTS AND
PASSENGERS**

» COMMERCIAL USE VOYAGER

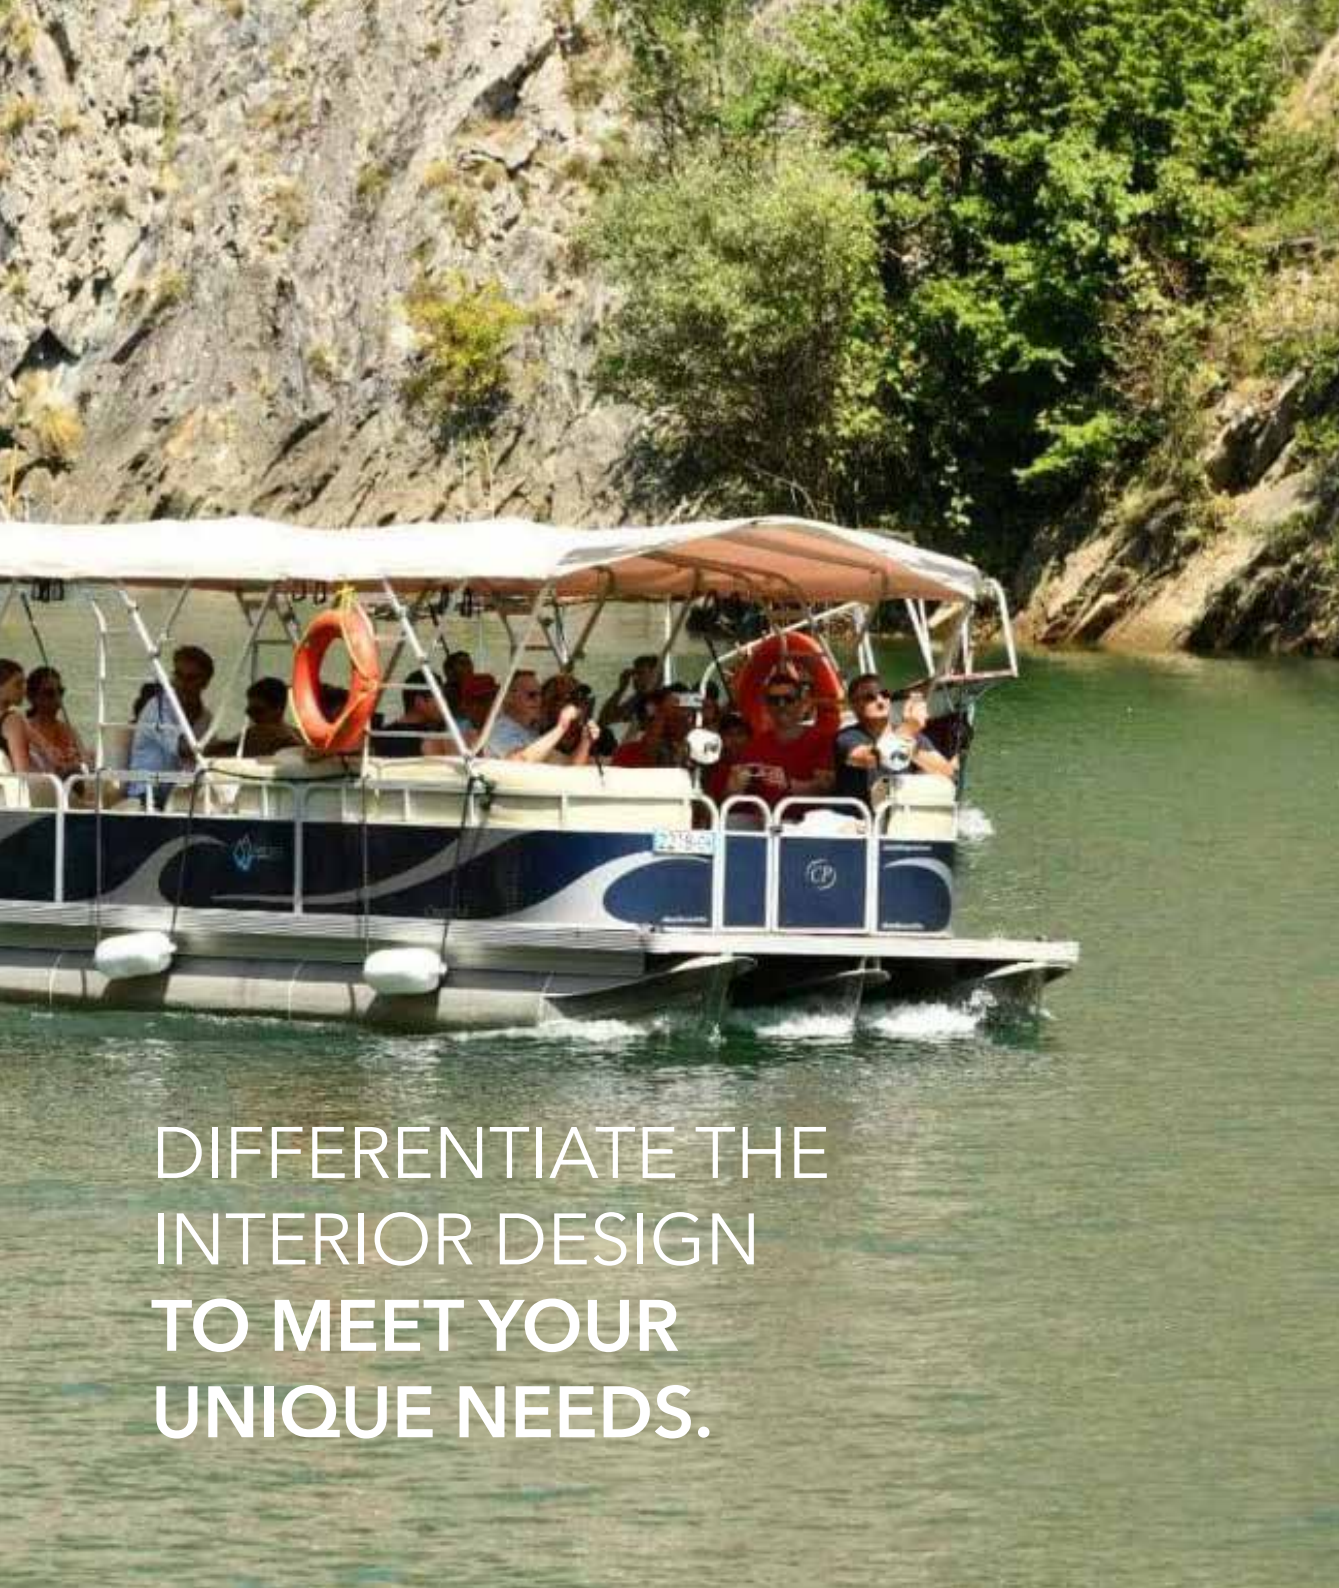

A versatile choice for hotels, resorts, and tour operators, the Voyager series seamlessly blend elegance, functionality, and entertainment.

Designed to cater to private sightseeing, day trips, and exclusive group experiences, these boats offer premium comfort, customizable layouts, and effortless maneuverability. Whether hosting intimate gatherings or lively tours, these series provide a luxurious and unforgettable ride, perfect for creating lasting memories on the water.

Ideal for:

- Hotels offering guest sightseeing trips or private day trips.
- Daily rentals for individuals seeking comfort and style.
- Specialized sightseeing tours with a luxurious touch.
- Sightseeing tours on lakes, rivers, or coastal waters.
- Large group excursions and nature exploration activities.
- Events and festive occasions requiring an on-water venue.
- Water sports and outdoor adventure activities.

DIFFERENTIATE THE
INTERIOR DESIGN
TO MEET YOUR
UNIQUE NEEDS.

» **COMMERCIAL USE PARTY BOAT**

Turn any event into an unforgettable experience with our spacious and comfortable party pontoons! With their wide deck areas, these boats provide the perfect setting for private parties, celebrations, and special gatherings on the water.

Want to take the party to the next level? Our pontoons can be linked together to create a massive floating platform, turning your event into a one-of-a-kind party hub! Whether it's a sunset cocktail party, a lively birthday bash, or an exclusive corporate event, our party boats offer a new era of fun and togetherness on the water.

**Get ready to celebrate in style
right where the waves meet the
music!**

THE ULTIMATE FLOATING CELEBRATION!

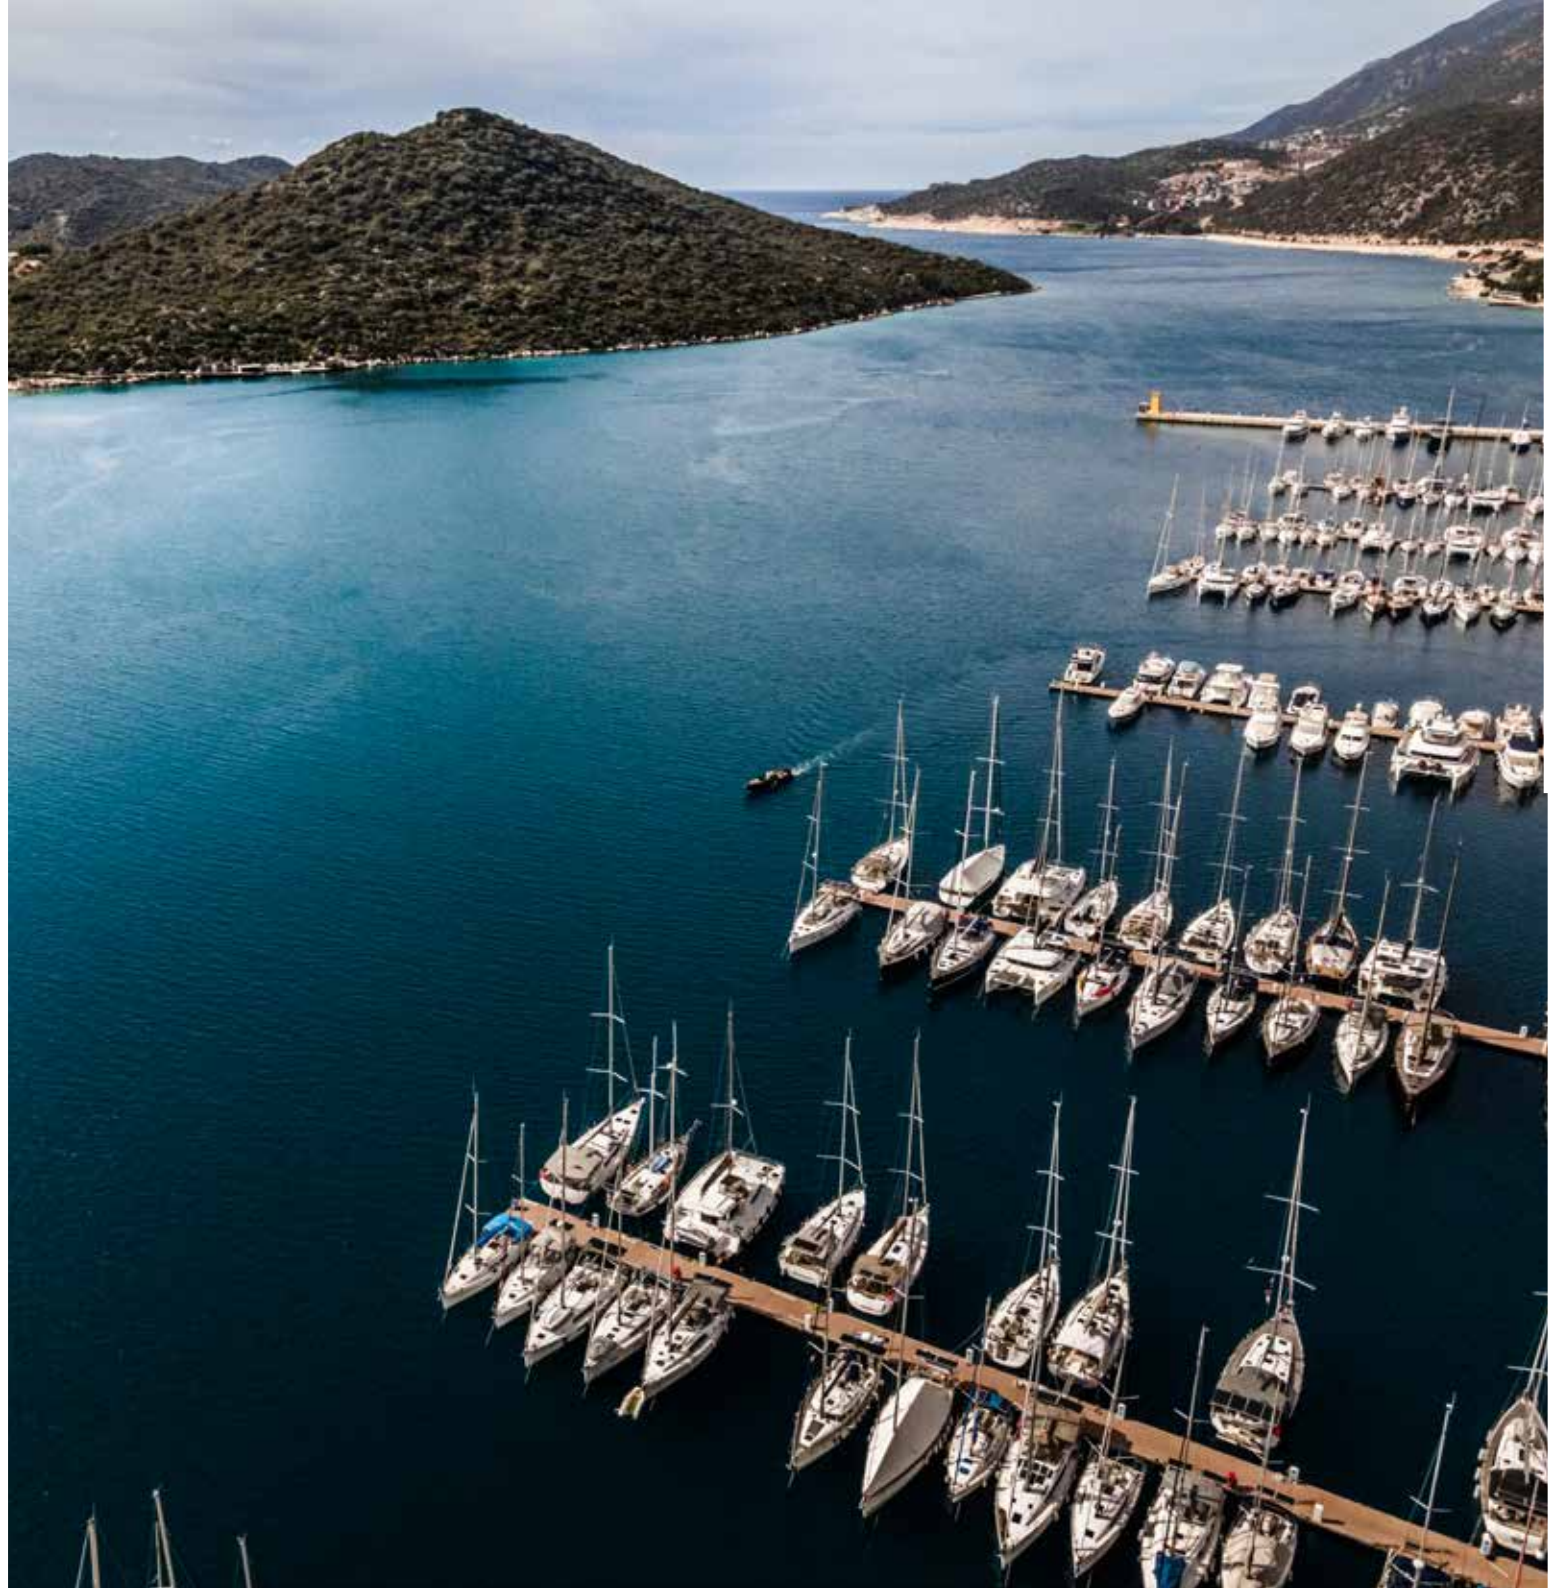

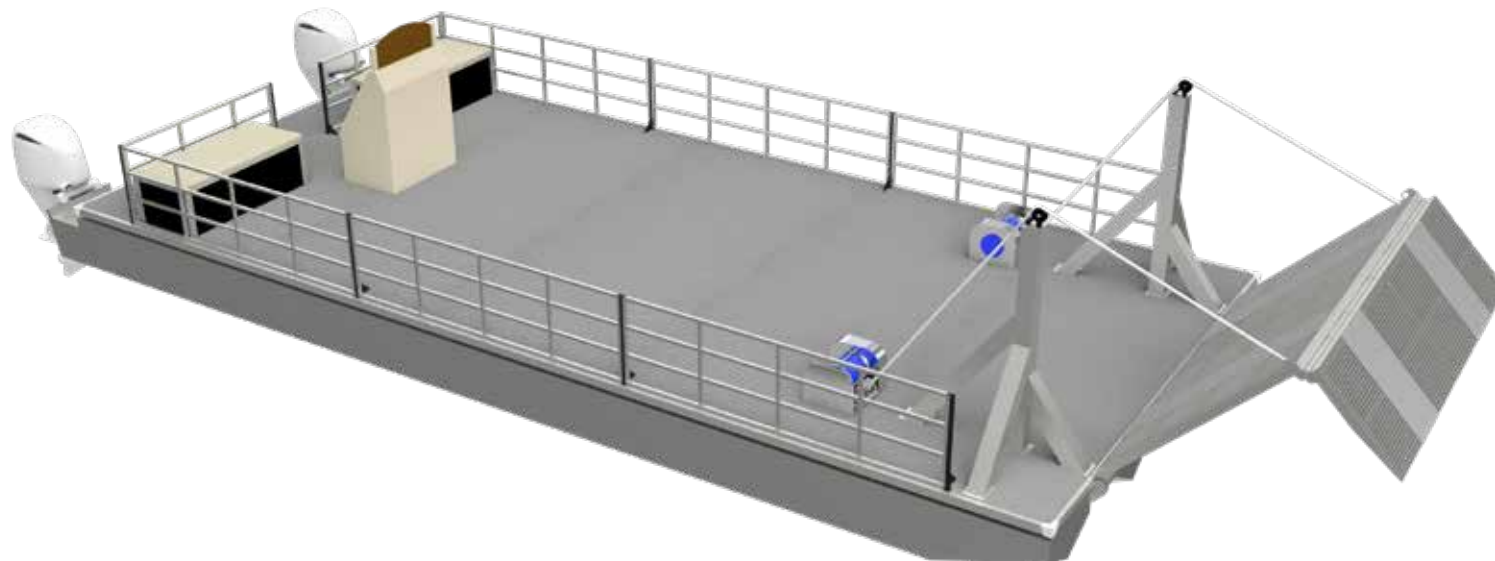

» COMMERCIAL USE TRANSIT

The Transit series offers versatility with its ability to transport cargo efficiently. Its practical design ensures stability and ease of use for multiple purposes.

Ideal for:

- Utility trips for resorts, marinas, or harbor management.
- Day-to-day water transportation needs.

» SUSTAINABILITY & INNOVATION

WATER CLEANING

The Water Cleaning Pontoon Boat is a specialized eco-friendly vessel designed to support water conservation and environmental cleanliness.

Equipped with advanced tools and powered by a sustainable electric motor, it ensures quiet, low-impact operation. The boat features integrated solar panels, providing renewable energy to power its systems, making it an ideal solution for maintaining aquatic ecosystems by efficiently cleaning debris from the water's surface.

» SUSTAINABILITY & INNOVATION ELECTRIFIED

This pontoon boat redefines sustainable boating with its electric motor, combining modern innovation with a commitment to environmental protection. Enjoy a peaceful, silent journey that aligns with eco-conscious values.

Features:

- **Zero Emissions:**
Environmentally friendly electric propulsion.
- **Silent Cruising:**
Minimizes noise for an immersive nature experience.
- **Low Maintenance:**
Simplified systems for ease of care.
- **Versatile Applications:**
Perfect for leisure, sightseeing, or private tours in protected waters.

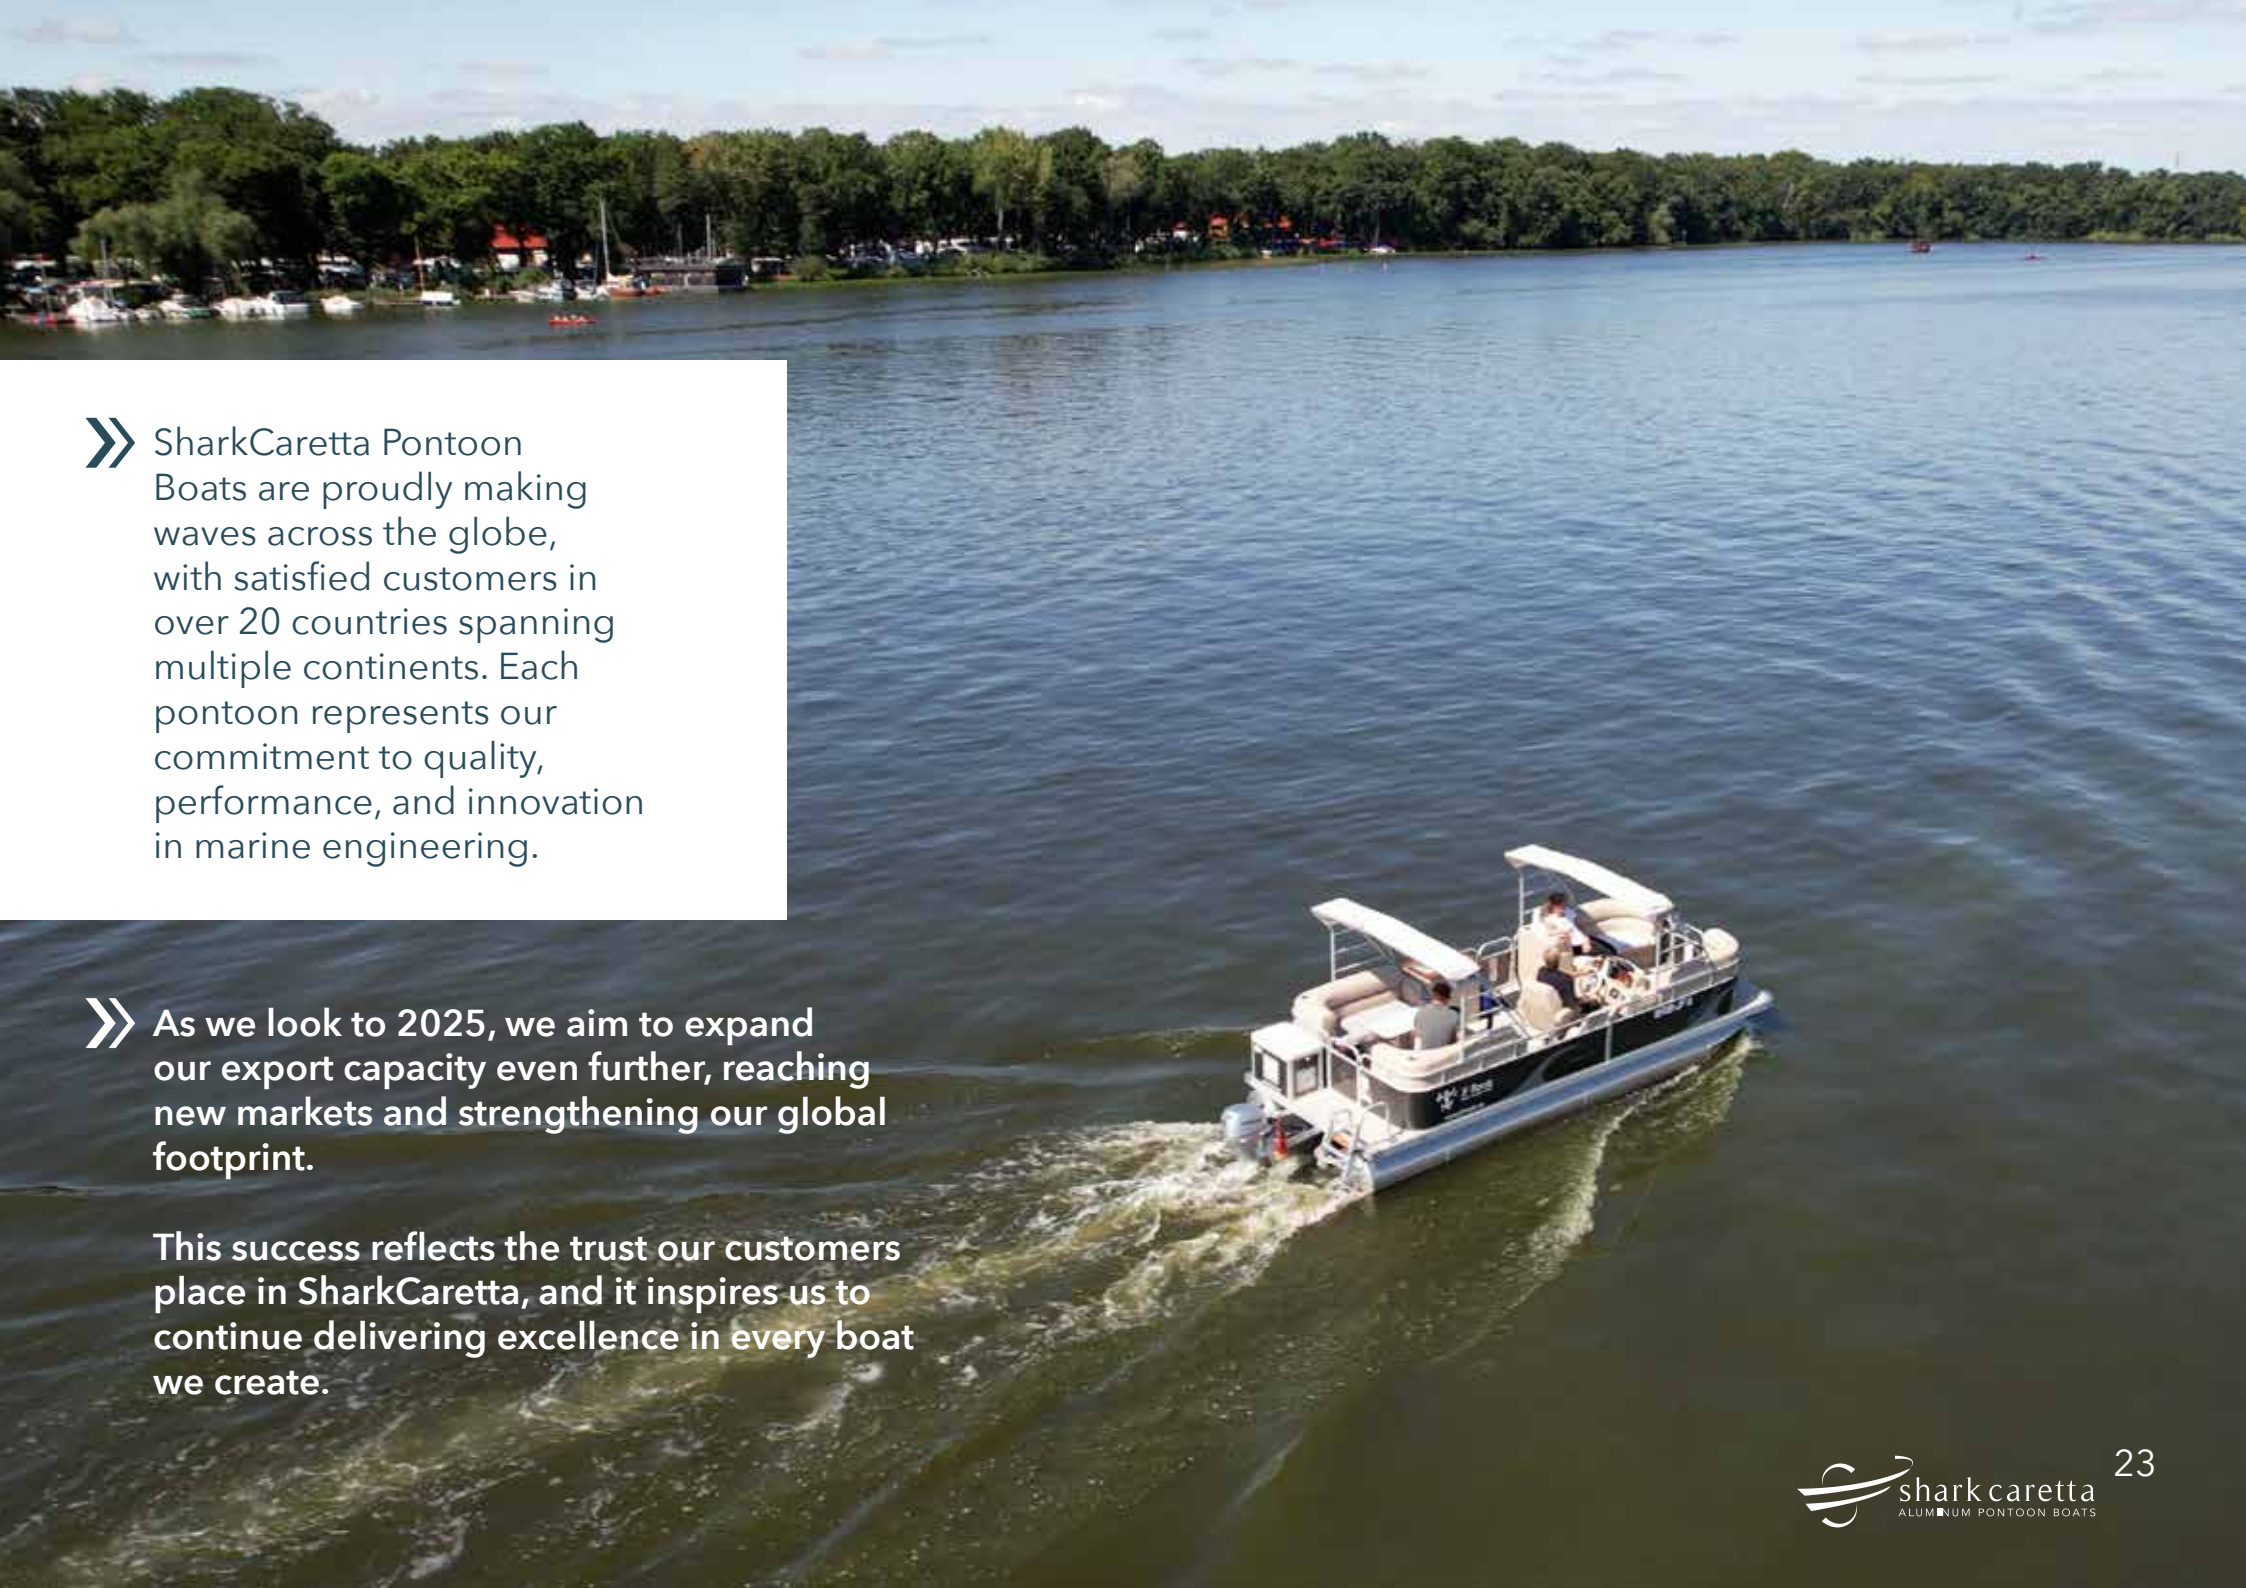

We are incredibly proud of our growing international presence, exporting pontoon boats to such a diverse array of destinations.

» HOW TO PLACE AN ORDER?

1- Reach Out to Us

Contact us via **WhatsApp** or **email** to begin your journey. Share your initial ideas, preferences, and any questions you may have.

imtes@imtes.com.tr

2- Choose Your Boat Model and Options

Determine the perfect model and specifications based on your needs:

- **Shark or Caretta?**

Which series suits your requirements?

- **Individual or Commercial Use?**

Specify how you plan to use your boat.

- **Size Options:**

How many meters and pontoon tube do you need for optimal comfort and functionality?

- **Customize Your Options:**

Select from a range of features such as seating arrangements, fishing gear, luxury add-ons, or functional upgrades to match your vision.

3- Consultation with Experts

Our expert engineers and designers will provide personalized consultations, helping you fine-tune your selection and ensuring every detail aligns with your expectations.

4- Exceptional Design Support

Our professional designers will create highly realistic renderings of your boat based on your selections. These detailed visualizations allow you to see exactly how your boat will look, ensuring every aspect aligns with your vision.

5- Finalize Your Decision

Finalize the design and features of your boat, tailored specifically to your lifestyle and needs.

6- Place Your Order

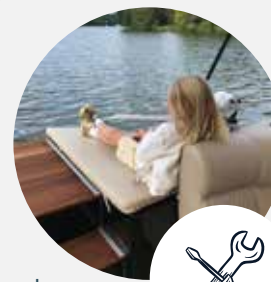

With your choices finalized, our team will guide you through the order process, ensuring everything is clear and tailored to your satisfaction.

7- Let Us Build Your Dream Boat

Sit back and relax as we craft your boat with precision and care, keeping you informed at every stage of the process.

8- Delivery

Once completed, your boat will be delivered to you in perfect condition, ready for its first adventure.
